## 14th "Step Out for Hospice" Breaks Record

The Woburn Friends of VNA Hospice Care held the 14th Annual "Step Out for Hospice" 5-mile Road Race, 3-mile Health Walk and 1-mile Fun Run on Sunday, Oct. 2, 2011 and raised a record-breaking \$56,000 for hospice. The Walk/Run took place at the Woburn Irish American Club and continued around Horn Pond with over 400 walkers, 200 runners and dozens of kids participating in the Fun Run. After the race, participants enjoyed live music from local band Site 39 along with beer, popcorn, hot dogs and chowder. All of the proceeds from "Step Out for Hospice" will help to support VNA Hospice Care's programs and in particular our "Open Access" policy, under which we accept all patients regardless of acuity or cost of care.

VNAHC extends its gratitude to the Woburn Friends for all of their dedication and efforts in putting together another fun and successful fundraiser. We also extend our gratitude to all of the local businesses who sponsored the Walk/Run, individuals who made donations, our volunteers, and the Irish American Club for hosting the event.

Special thanks to our walk teams this year, including "Simply the Best" in memory of Janet English, "Hardy's Party" in memory of Ellen Hardy, "Team Murphy" in memory of Julie Murphy, "Blaney Bunch" in memory of Dick Blaney, "Team Doherty" in memory of John Doherty, "Team Jan" in memory of Janice Macinanti, the "Polished at the Spa" team, the VNAHC's "Team Hospice" and the VNA of Boston's team. For more pictures and a full list of sponsors, see page 3.

## VNA Hospice Care Honors Veterans

VNAHC Social Worker Kristine MacNeil with her patient, Marion Malmsten

Did you know that one out of every four dying Americans is a veteran? VNA Hospice Care is now participating in a new program in collaboration with the National Hospice and Palliative Care Organization to recognize and meet the unique needs of our veteran patients and their families. Recently, Social Worker Kristine MacNeil presented her patient Marion Malmsten of Wakefield with a pin and certificate of appreciation from VNA Hospice Care. Marion is a Navy veteran who spent three years stateside as a Teletype Decoder during World War II. We would like to thank Marion and her son Robert for sharing her military experience with us and to all of our veterans for their commitment and service to our country.

## Executive Director's Corner

November is National Hospice Awareness Month and also the time we celebrate two national holidays, Veterans Day and Thanksgiving. For me personally, it is a time to think about gratitude, and feel grateful, for many aspects of our lives. It is in this spirit that this month VNA Hospice Care will begin to recognize and honor our patients, volunteers and staff members who are veterans of our military for their service to our country. Many veterans, particularly those who have experienced combat, require special care at the end of life. As we care individually for all of our patients needs depending on their illness, we will also provide special care and emotional and spiritual support to our veterans.

A few weeks ago I was told that one of our hospice nurses helped her patient to put an end to a life-long regret (page 4) while another staff member, a hospice aide, helped her patient fulfill a final wish of getting married by buying her a wedding gown. Acts of kindness like this happen every day; it's part of what hospice workers do in the midst of caring for their patients. In many ways actions like these are what hospice is all about, caring for the person in their entirety, including their spirit. I am grateful for the many wonderful staff that go above and beyond for our hospice patients each and every day.

As another year comes to a close, I am mindful of the tremendous work of over 130 volunteers, those who visit our patients and those who fundraise on our behalf. This year both our Woburn Friends "Step out for Hospice" and our annual Winchester Friends "Dine Around" events, in the midst of such continuing economic difficulty, raised record-breaking funds. This is truly remarkable, and I am humbled and grateful for the generosity of the many individuals in our community who volunteered time, made donations, and shared their talent and resources to make this happen. Alfred North Whitehead wrote, "No one who achieves success does so without the help of others. The wise and confident acknowledge this help with gratitude."

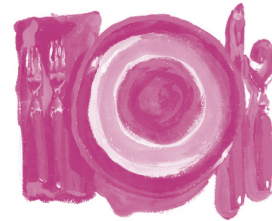

With sincere gratitude and deep appreciation for all that you do,

Diane Bergeron, RN, CAHA, MSM  
Executive Director

## Going Beyond Nursing Care

Theresa Gilbert, a VNAHC Nurse, has been caring for Ms. McIntyre in her home for several months. During one visit, Ms. McIntyre was reflecting on her life and longevity with Theresa and in doing so named a few life regrets, one of which was that she never managed to get a copy of her high school yearbook. Theresa thought that Ms. McIntyre probably graduated during the Great Depression, and thus there probably wasn't money to spare for a high school yearbook. Theresa took it upon herself to find Ms. McIntyre's high school and contacted school officials. A few weeks ago Theresa

presented Ms. McIntyre with her 1930's high school yearbook. Pictured here is a happy hospice patient, Ms. McIntyre, with her high school yearbook, and one fewer life regret.

## Donor Spotlight: Dorothy Reuss

Dorothy ("Dori") Reuss has donated nearly \$15,000 to VNA Hospice Care since 1996. Her experience with VNAHC, through our care and support for both of her parents' illnesses and deaths, left a lasting impression on her. An Early Childhood Special Educator for Lexington Public Schools, Dori spends free time "teaching the teachers" in early childhood centers throughout the Boston area. As a contract speaker and consultant, she donates her fees to VNAHC. Dori also takes the opportunity to let her audiences know where she is donating her fee, thus providing an opportunity to explain the benefits of hospice in various settings. She also speaks about VNAHC's grief support for children and young adults and distributes our guidebook, "When Children Grieve: How Educators Can Help". Dori plans to retire in a few years and dedicate more of her time to volunteering and "getting the word out about hospice". Thank you, Dori, for your continued dedication and support!

## Congestive Heart Failure Program

VNAHC provides special care for patients with Congestive Heart Failure. We work with the patient's clinical team to develop an individualized approach to care which includes all medications/medical supplies, 24/7 on-call availability of our skilled nurses, and interventions to prevent and relieve symptoms. Our Congestive Heart Failure program allows patients to stay in the comfort of their own home while providing on-going support to the patient and their caregivers. For more information about this and our other specialty programs, please call 781-569-2888.

## Volunteer & Staff Appreciation Dinner

On September 22nd, VNA Hospice Care held its annual Volunteer and Staff Appreciation Dinner at the Woburn Country Club, recognizing those who have accrued 5 year milestones of service. In addition to the service awards, Clinical Manager Laurie Roth recounts a time when Hospice Aide Guy Bastien, who just celebrated his 10 year anniversary at VNAHC, went to check on a patient who was dying during his off hours to offer support to the family. Thank you to Guy and all of our nurses, social workers, hospice aides and volunteers for the compassion and dedication they show to their patients and their caregivers.

## Hospice News

- **Welcome New Staff:** We'd like to welcome three new VNAHC staff members: Hospice Aide **Claire Charles**, Chaplain **Sarah Manouchehri** and Social Work Intern **Gary Trayhan**.
- **Staff Achievement:** VNAHC Liaison Nurse Robin Wilson recently received certification from the Hospice and Palliative Nurses Association to become a nurse educator. HPNA Approved Educators are nurse educators who have completed the HPNA Approved Educators Workshop that prepares them to teach hospice and palliative content.
- **Volunteer Recruitment:** We currently have a need for patient volunteers in Boston who can visit on weekdays. No experience is required and training is provided by VNAHC. For more information, please contact Volunteer Coordinator Lisa Palais at 781-569-2827.
- Did you know that VNA Hospice Care offers **Bereavement Support Groups** that are free and open to the public? For more information and for group schedules, please contact Social Services Manager Dave Quemere at 781-569-2825.
